Labelling and Safety Solutions

"Our vision is to be the supplier of choice for warehouse and industrial identification, safety systems and associated products, by offering clients a quality-driven, total solution via multi-channel procurement methods."

Tony Gresty - Managing Director

About Us

At ELAN Europe we have gained an excellent reputation for providing the most appropriate labelling and safety products to meet the specific requirements of our customers. By providing a range of products in each of our specialist fields we are able to provide the optimum solution for every client from one source.

From the beginning, we have been constantly developing our products and services.

We have a considerable depth of knowledge in all labelling and industrial floor marking and painting systems specific to the warehousing and distribution industries.

Our success in developing line marking to provide personnel segregation systems, is complemented by our other safety solutions which include internal security mesh, safety signage, plus barrier and column protection.

Our unique product and service offering is very attractive to companies looking to satisfy all their needs from a single source.
